VOL. VIII. No. 17 | The County Seat Paper | NEVADA CITY, CALIFORNIA | The GOLD Center | FRIDAY, JAN. 5th, 1934

Rolph Commutes Death Sentence Of Murderer

Mayor Rolph, who upheld and defended the lynching of the two murderers who kidnaped and killed Hart, a San Jose youth, yesterday commuted the death sentence of a murderer, Jack D. Green, to one of life imprisonment.

For nearly two years Green has stood in the shadow of the gallows and in that time Rolph has granted eight reprieves from the noose.

Rolph justified the lynching, or the "rolphing" as it now sometimes called, of the two San Jose murderers on the ground that in the courts justice was often defeated.

Green was convicted with Joseph F. Regan of murdering Police Lieutenant Hugh A. Crowley during a Los Angeles theater burglary, January 11, 1932.

Regan, alleged to have fired the fatal shot, has been hanged.

Commenting on his action yesterday, the governor said:

"If I believed that Green had shot or attempted to shoot Police Officer Crowley, this application for clemency would have been forthwith denied. I am making this concluding statement in order that my determination of this application may not be misunderstood or taken as a departure from my recognized procedure in cases involving the killing of a police officer."

BRUNSWICK TO SPEED PUMPING

Additional pumps are to be installed this week at the old Brunswick shaft ,now being reopened by the Idaho-Maryland Mines Company, Ltd., to speed the work of unwatering the shafts of both the old and new Brunswick shafts, which join on the 1200 foot level.

Water in the new shaft has been lowered to the 700 foot level by means of dip buckets operated by double drum hoist and an air ejector pump.

The Idaho-Maryland company is still installing tailings and cyanide plants. It will be two months before they are completed.

DR. W. W. REED ON SKIS SUCCORS INJURED MINER

Robert White, who slipped from the skip in the Zeibright mine and broke his leg, was successfully removed Wednesday from the mine to the Jones Memorial hospital, where Drs. Reed and Jones set the fractured member.

Dr. W. W. Reed on Tuesday, after the failure to get the injured man to Emigrant Gap on a sleigh where he would have been transferred to a waiting Holmes ambulance, went down the incline on skis and rendered first aid. Wednesday White was removed by a Forest Service tractor to the Ukiah-Tahoe highway two miles above the Washington road junction, and brought by ambulance to Grass Valley.

CWA WORK WILL DO MUCH FOR SPORTSMEN

SAN FRANCISCO, Jan. 4—Under the civil works program, sportsmen of California are to reap much benefit. Approval has been given by Captain Edward Macauley, engineer for the CWA providing for the expenditure by the government of upward of $100,000 on fish hatcheries, egg-collecting stations, game farms and refuges.

This work will provide employment for more than 300 men. Some of the projects call for 750 days divided between 32 men. The Division of Fish and Game furnishes all materials.

Needed repairs to hatcheries, new roads, new brood ponds, new fences, receiving and aging tanks, all badly needed in the hatcheries, will thus be provided under the program. On the game farms and game refuges necessary improvements will be speeded.

GEORGE CLEMO CALLED BY GRIM REAPER

Funeral arrangements are being made at the Holmes Funeral Home for the late George Clemo, who passed away early yesterday morning at his home on East Bennett street. He was a native of this city and his death comes as a shock to his many friends here.

NEW LAVA CAP MILL STARTED

The 250 ton daily capacity mill at the Lava Cap mine, south east of Nevada City, went into operation on New Years Day and is running on one shift until such time as the company has made enough development to go on a three shift basis.

This old property has been reopened and rehabilitated within the last few months under the untiring efforts of Superintendent Otto E. Schiffner and now all is in readiness for continuous operation.

Ore is being hauled from the Banner to run the mill. It is anticipated that within the next two weeks advancement will be rapid at the Central and Banner shafts of the Lava Cap property.

Ninety men are employed in the mill and in the Central and Banner shafts of the Lava Cap mine.

BLOND CAT OF JUDGE WINBURN LOST, STOLEN?

Where is Chestnut?

Judge Winburn of Grass Valley is anxious to have his cat returned to him, and a reward will be paid for information leading to the recovery of the pet.

Chestnut is about seventeen months old, and we are informed that he had a habit of jumping over the judge's bed at about five o'clock every morning and by pulling his hair announce that it was time to be served with his customary breakfast of liver. And so the liver was served, with cream on the side. Then Chestnut would lie on the foot of the judge's bed and go to sleep.

Now Chestnut is missing.

Where is he?

Did some mountain lion or bob cat entice him into battle, or did some one with an artistic nature take the golden haired pet to occupy his favorite spot in front of the fireplace?

The judge wants his pet back.

And $25 is a lot of money these days, but if Chestnut is returned in good condition, the check will be delivered to the fortunate finder.

DRUNKEN DRIVER FACES SUPERIOR COURT

Perry Langley held to answer for drunken driving on December 27, following arrest by Traffic Ofifcer Will Fouyer, will appear today before Judge Raglan Tuttle. Deputy District Attorney Robert Tharp yesterday filed an information against him.

EMPRESS MINE SHIPS 38 TONS CONCENTRATES

The November shipment of concentrates to the smelter from the Empress mine in the Newtown district totaled 38 tons, which it is estimated brought close to $12,000.

A new 200 ton daily capacity mill is to be installed this year at the property, which will increase the payroll and production.

Excellent ore is being taken from different levels in the Empress shaft and the mine has a bright future.

Forty men are now employed under Ed. C. Jacobs, superintendent.

Corn King of The World

C. Worth Holmes of Joy, Mercer county, Illinois, is shown above displaying proudly the ears which won him the world's championship in the corn division, at the International Livestock Show in Chicago. Holmes won with his Krug Utility, a smooth-kerneled type, the first smooth-kerneled corn to win the coveted prize in the history of the show.

CITY COUNCIL SOON READY TO BUILD POOL

The city council last evening discussed in detail the new business license ordinance which is reproduced on page three of this issue of the Nugget. Minor changes were discussed but in the main the ordinance will probably be adopted much as it stands.

A suit to quiet title has been advised by Attorney W. E. Wright to embrace all the parcels of land which the city has purchased for a municipal park in which to place the swimming pool. Mayor R. J. Bennetts last evening stated that the city council hoped soon to begin the work of construction of the pool.

The council has received a petition asking the retention of William Jeffries in the post of night office. It develops that his dismissal was recommended by Police Chief Robson, who desired to place a younger man in the post. A large number of business men have signed Mr. Jeffries petition to the council.

The council ordered warrants drawn for the payment of water, sewer and swimming pool bonds, amounting to $5500 and for the interest payments totaling $1770. The following bills were ordered paid:

Ada Rich, Water Collector	$ 85.00
W. G. Robson, Chief of Police	125.00
George Calanan, City Clerk	20.00
Emma M. Foley, Treasurer	12.50
Miles D. Coughlin, Judge	12.50
W. C. Jecrey, Nightwatchman	65.00
H. S. Hallet, Supt. of Sts.	62.50
Dr. E.M. Rossner Meat Insp.	25.00
Chamber of Commerce	Allow. 15.00

Chas. Sharp, Labor	100.00
Nick Sandow, Labor	100.00
Fred Eilerman, Labor	80.00
H. M. Hallett, Labor	58.00
H. L. Hurst, Labor	8.00
A. Carlisle & Co., Supplies	3.73
Bond payment	5500.00
Bond Interest	1770.00

TWO BOYS WANTED

WANTED—Two newsboys between 15 and 17 years of age to carry routes—Salary $4 a month. Apply Nugget Office.

NEV. CO. BENEFIT BY THE SHIFT IN SCHOOL TAXES

LOS ANGELES, Jan. 4.—The property owning taxpayer of Nevada county, owning property assesed at $3,000, had a reduction estimated at $50.70 on his county tax bill this year, because of the shift of school costs from the counties to the state, according to a study recently completed by California Taxpayers' Association.

The county schools will receive $92,864 from the state this year, in place of the $89,352 levied last year by the county, according to L. D. Gifford, director of research of the association. The amount which will be received from the state this yeat is the minimum county requirement under the former law, which, in addition, required that the county allow for a 10 per cent delinquency in collections. If it had not been for changes in the method of financing schools, the county would have had to levy this $92,864 for general county school support. On present valuations, and allowing for delinquencies, this would have required a rate of $1.69 per $100 of assessed valuation, in addition to the present levy.

This estimated reduction in local tax levies has been widely heralded as a "saving," which, strictly speaking, it is not, Mr. Gifford pointed out. The transfer of $40,000,000 annual school costs to the state does not mean an actual saving to the owners of common property, for they, along with their non-property owning neighbors, will pay from $45,000,000 to $50,000,000 to the state through the 2½ per cent sales tax.

DR. B. W. HUMMELT BUYS OUT DR. MCCULLOUGH

Dr. B. W. Hummelt, first lieutenant in the U. S. Medical Corps, formerly stationed at the Bloomfield C. C. C. camp and now serving the C. C. C. camp near Grass Valley, has purchased the medical practice and interest of Dr. Frank McCullough in this city. He has also taken over the cottage and office of Dr. McCullough and will reside there with Mrs. Hummelt.

Dr. and Mrs. McCullough will remove to Oakland, where Dr. McCullough will join the Highland hospital staff and devote his time to his specialty, rectal disorders. The many friends of Dr. and Mrs. McCullough will regret their departure from this city.

Dr. Hummelt is a graduate of the University of Oregon, which conferred upon his the A. B. degree, and of the University of Oregon's medical school. He served his year of internship in the Cottage Hospital of Santa Barbara, where he studied under Drs. Sansun and Nuzum widely known for their work in high blood pressure, overweight and diabetes.

From Santa Barbara he went to Los Angeles where he made special studies in obstetrics and for several months served on the City Medical staff, in charge of maturnity cases. Later he joined the U. S. Medical Corps for service in the C. C. C. camps.

Dr. McCullough states that he will remain in Nevada City for a few days with headquarters at the Harris Drug store, where those who wish to pay their bills may do so and receive a receipt.

WOMAN'S ARM INJURED IN AUTO ACCIDENT

Mrs. Herman Katzer is making as good a recovery as possible from a recent serious auto accident, in the Jones Memorial hospital, Grass Valley.

She was dragged several feet and one arm had the flesh torn and rubbed off up to the elbow. Latest reports are that skin grafting may have to be resorted to. A heavy overcoat prevented more serious injury.

Mrs. Katzer is the daughter of Constable and Mrs. Thomas Oliver of Nevada City.

Miss Dorothy Jones of San Bruno spent the week end in Nevada City with Mr. and Mrs. J. J. Jackson Jr.

State Mineralogist Predicts $22,000,000 Gold Output 1934

Predicting that the state's 1934 gold income will be at least $22,000,000, State Mineralogist Walter W. Bradley sees nothing but good fortune ahead for California's vast mining industry.

CONSERVATIVE FIGURE USED

"When I say the year's production will amount to $22,000,000, I feel I am making a conservative guess," Bradley said. "For I am working on an assumption that there will be only a 15 per cent increase above $35.

"But the fact is that most mining in actual production in ounces, and men feel confident the government will boost the price of gold still further, perhaps to $41.34, double the price at this time last year.

GREAT BOOM IS SEEN

"Most estimates of future production are wild gusses. But in the case of mining even our conservative estimates must sound wild. Yet figures speak for themselves and figures show that California is in for its greatest mining boom since the gold rush days.

"The state's gold production in 1932 was valued at slightly under $12,000,000. In spite of the recent ballyhoo, the 1933 figure will not be greatly over that, probably around $14,000,000, and ounce production will be about the same as 1932.

MANY MINES REOPENING

"That is because the increased gold price did not go into effect until September, and before that time there was a decided slump in the gold output. Many of the mines that are being reopened have not yet reached the production stage.

"If production did not go over the 1932 figure, 1934 revenue would be $18,000,000, due to the 50 per cent rise in the gold price. But the new mining operators ought to increase the ounce production at least 15 per cent."

SILVER OUTLOOK IS BRIGHT

According to Bradley, the silver outlook for 1934 also is bright. California's silver production during the past few years has amounted to less than $1,000,000, caused by the low price of the metal and the fact that many lead and copper mines have been shut down. Most of the silver obtained in California is a by-product of lead and copper. The increased price of silver alone may not do much toward boosting the silver income of the state, Bradley avers, but if economic conditions became such that lead and copper mines can be reopened, the combination of a higher price for these metals and the new 64½-cent silver price will mean prosperity to the sections of California, such as Plumas and Kern counties, that produce much of this states baser metals.

Bradley said the state's silver income may never reach the peak of 1921, when it was $3,629,223. At that time silver brought $1 an ounce. At one time the government was buying silver at as high as $1.30, one cent more than its actual coinage value. Last December the price was 26 cents, but today it is 64½ cents under the government's new purchase plan.

NEVADA CITY MAN TO TAKE BAGUIO MINE POST

Mr. and Mrs. Merten Downey, popular young couple of Nevada City, left Tuesday for San Francisco. Mr. Downey will embark today for Baguio, Philippine Islands, to join his old associate, Lamar Fleming, who was with him for several years in the mining industry in Peru, South America, where each held responsible positions.

Mrs. Downey will see him depart and then proceed to New Orleans, La., where she will visit with her relatives for two months before joining her husband.

Lamar Fleming, Mr. Downey's cousin, left recently for Baguio, where he is now employed on the staff of officers for the Benguet Cons. Mines.

Last Tuesday evening, radio station KGO announced a ship had arrived that day in San Francisco bringing in a shipment of $300,000 in gold bulion from the mines of Baguio.

Merten Downey is the son of Mrs. George Downey of Nevada City. He returned from the gold mines of Peru about two years ago.

ANCHO ERIE NOW HAS POWER LINE

A power line to the Ancho-Erie and Rocky Glen mines near Washington, eastern Nevada county, has been completed by the Pacific Gas & Electric Company. The final hookup was made after two feet of snow had fallen.

Supplies were taken in to the mines early in the season for winter operations. The lower tunnel at the Ancho is being worked by a small crew, while at the Rocky Glen a compressor unit has been installed in the Spotswood tunnel.

It is reported these are the only two properties in operation in the Eureka district since the recent fall of snow.

A. E. Barnhart of Nevada City, is superintendent of the properties.

SMALL BOY NARROWLY ESCAPES DROWNING

Tommy, the six year old son of Attorney and Mrs. A. J. Just of Downieville had a very narrow escape from drowning Monday while he and his parents were visiting friends whose home is on the banks of Jim Crow creek. A narrow foot bridge extends across this stream, which has recently been greatly swollen by the rains. The boy went across the bridge on an errand to a neighbor. The father who happened to be standing by the window saw the boy slip as he returned, and fall into the stream. He dashed out of the house raced along the bank, and finally came abreast the boy carried down stream by the torrent, and wading in after him, dragged him ashore. Both were very wet, as a result, and the boy had swallowed a great deal of water.

ENGLEBRIGHT'S "HERE" HEARD OVER RADIO

Nevada City neighbors of Congressman Harry L. Englebright, who listened on the radio Wednesday to the broadcast of the opening of the 73rd Congress, and the President's address, heard him answer "Here" when his name was called.

This is the first time the proceedings of the Congress have ever been broadcast. In another year or so, it may be possible that television will have been sufficiently perfected that hearers sitting in the homes throughout the United States may also be spectators, viewing the Nations great deliberative body, as do now only those who have admissions to the visitors gallery.

WILLIAM B. KINKEAD SUMMONED BY DEATH

Death Claimed William B. Kinkead Wednesday morning in Berkeley. Mr. Kinkead was born in Nevada City and educated in the local schools. He was the son of the late Mr. and Mrs. James Kinkead, pioneers of this city. After removing to the bay district he was employed for many years by the Southern Pacific company.

Surviving him are his wife, Mrs. Zeita Kinkead, a daughter, Katherine, and a son, Clifford. Three sisters also mourn his passing, Misses Margaret and Katherine Kinkead and Mrs. Cary S. Arbogast of this city. The funeral will take place today, and according to reports, interment will be made in Sacramento.

The New Year

It has been several years since a January rolled around with so much promise for our own country. We may attribute this to many factors which augur well, at least enough to give us a chance to renew that "hope, which springs eternal in the human breast."

One of the strongest factors has been a change of administration at Washington, which gave us a President willing to do something about the depression, even though it involved many experiments with this democratic government of ours. Not only a President willing to act, but a Congress willing to act with him, came into power.

But back of that was the vast majority of Americans which ushered Mr. Roosevelt and the Democratic party into power, a great people sick and tired of the depression, impatient of half measures, rebellious against the conditions under which they suffered, and crying out for a leadership that would bring them out of the wilderness.

With a people willing to accept a provisional and temporary dictatorship, to forego their constitutional guarantees for the period of the depression, exactly as they do in time of war, enlightened and intelligent leadership is almost bound to reach the goals it sets out for. For 125,000,000 determined people are not easy to thwart, or, for that matter, easy to guide. But the great hope of the New Year is that they will continue to be led, continue to find wisdom in the new restrictions imposed on them—each and every part of that vast population, for the good of our whole country.

Over in Europe and Asia the war clouds are getting bigger and blacker. Japan's fierce nationalism, its utter disregard of the rights other nations, namely—Russia and China, and in Europe the erratic and treaty breaking course of the new German Nazi government, indicate another bloody cataclysm in the offing. These are threats we cannot disregard in estimating the New Year promises. Another war, any war, any where, is a menace to our progress, our prosperity, and, maybe to our peace.

If every American citizen, who is now paying mightily for the last war, would resolve, first, that this country of ours shall never again become involved in a war in which its own possessions and boundaries are not menaced, and second, that no credit of any kind, money or goods, shall be advanced to any foreign belligerunt, it is our firm belief that whenever war happened, we would be a thousand times better off than we were as a result of our participation in a war" to make the world safe for democracy."

For the world generally speaking, as a result of the last war, became very unsafe for democracies. Varying forms of dictatorship govern Russia, Italy, Austria, Germany and Japan. England and France and the U. S. maintain democracies.

A majority of world powers then, have frankly abandoned democracy for other forms of government. Another war will not restore them to the democratic fold.

In the main the world's reserve of wealth, of liberty and of democratic ideals is contained in the United States and Great Britain. Let us jealously guard our part of that reserve, for the time will surely come when we can be of great service in restoring peace to nations which have madly impoverished themselves in war. But not if we again become involved in the conflict ourselves.

Mr. and Mrs. Raymond O'Connor and children, who have spent four very fine weeks in Nevada City with their parents, Mr. and Mrs. C. B. O'Connor and Mr. and Mrs. Fred Tredennick, arrived in their home town, Clarkston, Washington, Sunday.

Mr. and Mrs. Harry E. Bolton, had as holiday guests the following relatives: Mr. and Mrs. Ted Sinnock, Red Bluff; Mr. and Mrs. Herman Katzer of Gridley; Mr. and Mrs. G. Cobbedick and family of Grass Valley; Constable and Mrs. Thomas Oliver of Nevada City.

NORTH BLOOMFIELD

By James Findell

NORTH BLOOMFIELD, Jan. 4—Mrs. C. Brunner went to Nevada City for a few days.

Miss K. Watson left here for Gridley where she will spend the winter.

Mr. A. Landsburg spent the week end with his family at North Bloomfield.

Mr. Chris Peterson is spending the winter with his wife in Nevada City.

Mr. and Mrs. W. D. Campbell and children of Los Plumas, visited her father and mother, Mr. and Mrs. Bivins.

Mr. and Mrs. McKenney of Gridley visited relatives here during the holidays.

Mr. E. Peterson of Nevada City was in Bloomfield a few days ago.

Mr. D. Pfieffer of Bloomfield is in San Francisco visiting friends.

The writer's nephew has returned home from the hospital after an operation to remove a pin from his chest that he had swallowed accidently. His home is in Michigan.

Miss P. Anderson was in San Francisco for New Years.

Mr. and Mrs. Kempster of Sacramento, Mrs. L. Richards and daughter, Mr. and Mrs. L. Dudley of Nevada City, all visited Mr. and Mrs. Dudley here.

Mr. R. Carter is stopping at the C. C. C. camp for a few days.

Mr. and Mrs. Gans visited Auburn during the holidays.

The North Bloomfield school will open Monday, January 8.

NORTH COLUMBIA

By Marylyn Wilson

NORTH COLUMBIA, Jan. 3—North Columbia send the call—"A Happy New Year one and all!"

Miss Eunice Caughlan of Nevada City is spending her vacation days with her cousin Mary Joe Coughlan. They are seen riding horseback almost everyday.

Even before the gray streaks of dawn filter through the hills of N. Columbia, dim lights twinkle from almost every home. Whats the big idea? Why, all the men have jobs and are working. Hurrah for Roosevelt!

Mr. David Meslang, a student of the University of California, is visiting at the McAllister home.

Larry McKelvey and Dave Cabona, business men of Truckee were Nevada City visitors Wednesday. They reported the highway clear of snow with five feet on the summit.

SO YUH DIDN'T HAVE A NICE CHRISTMAS--- HOW COME?
IT'S GETTIN' SO A FELLAH GETS MORE CLOTHES THAN TOYS
GEE! THAT MUST BE SWELL
SWELL, NOTHIN'! THERE'S A LOTTA THINGS I COULD USE MORE THAN CLOTHES---- A BIKE, F'RINSTANCE
WE GOT TWO BIG BASKETS OF GROCERIES 'N SOMEBODY SENT US A TON OF COAL 'N WE WUZ TICKLED PINK
GEE!
LISTEN, TONY--- I GUESS I HAD A GRAND CHRISTMAS--- C'MON OVER 'N I'LL GIVE YUH SOME FRUIT CAKE MY MOM BAKED
! ? ! ?

New Business License Ordinance Is Pending

The city council has completed a draft of a business license ordinance to take the place of an anti-peddling ordinance passed sometime since, which Straine & Co., accountants, found impractical in making the audit of the city's books.

The new ordinance is designed to make those who come into Nevada City from the outside to do business, and pay no taxes of any kind, pay their proportionate share of the costs of geovernment here. The proposed ordinance will also add a considerable sum to the city's revenue.

The first draft of the ordinance follows, and all business men should read it over very carefully.

ORDINANCE

An Ordinance Providing for the Imposition and Collection of License Taxes on All Kinds of Business Transacted or Carried on Within the City of Nevada, and Prescribing Penalties for Violations thereof.

THE CITY COUNCIL OF THE CITY OF NEVADA, DO ORDAIN AS FOLLOWS:

SECTION 1: That it shall be unlawful for any person, whether as principal or agent, owner or employee, to commence, engage in, transact or carry on, within the corporate limits of the City of Nevada, any business, trade, calling, profession or occupation, without first procuring a license so to do, as herein provided.

SECTION 2: For the purpose of this ordinance, words used herein in the singular shall include the plural, and the masculine shall include the feminine; the word "person" whenever in this ordinance used, shall apply to and include firm, corporation or association of persons and shall also be deemed to refer to those who travel about with goods, wares or merchandise which they sell, or who solicit or deliver at the same time, or at different times.

SECTION 3: It shall be the duty of the City Clerk to prepare and issue a license for every person liable therefor showing the amount thereof, the period of time covered thereby, the name of the person for whom issued, the business, trade, calling profession or occupation licensed, and the location or place of business where the same is to be carried on. It shall also be the duty of said City Clerk, and of all police officers of said City, at the request of said City Clerk to promptly notify all persons who shall fail to secure, renew or maintain their licenses, or to pay said license taxes when due, as herein provided that they are delinquent in any or all such matters: but failure to receive such notice shall be no excuse for such delinquency or the continuance thereof, nor a defense to any action or prosecution hereunder.

SECTION 4: All licenses in this ordinance provided shall be due and payable, in advance, at the office of the City Clerk in the City Hall of the City of Nevada: all quarterly licenses shall be so payable on the first day of January, April, July and October and shall expire on the last day of March, June, September and December of each year respectively; and no reduction or refund shall be made on account of the termination, prior to the expiration of the quarter-year for which a license therefor shall have been issued, of any business licensed hereunder; provided, however, that when any business or occupation or calling requiring a license shall have been commenced after the commencement of the quarter-year, then, and in that case, the City Clerk shall issue a license for the remaining portion of said quarter-year and shall receive in payment therefor the pro rata sum required for such license for the balance of said quarter-year, which sum shall in no event be less than one-third of such quarterly license tax.

SECTION 5: The City Clerk shall pay over to the City Treasurer all license taxes collected hereunder, and shall report the amount of license taxes collected by him, together with the amount of delinquent, to the City Council at its first meeting in each quarter.

SECTION 6: A penalty of twenty-five per cent shall be added to each license which shall remain unpaid for more than ten days after the same shall become due.

SECTION 7: Every person having a license under the provisions of this ordinance, and carrying on a trade, calling, profession or occupation at a fixed place of business, shall keep such license posted and exhibited while in force, in some conspicious part of said place of business. Every person having a license hereunder, and carrying on a trade, calling profession or occupation on the streets or other public places in said city, in a vehicle, stand, or other container shall keep such license posted and exhibited while in force, in some conspicious part of such vehicle, stand, or other container. Every person having such license, and not having a fixed place of business nor a vehicle, stand, or other container in which such business is carried on as aforesaid, shall carry such license with him at all times while carrying on the trade, calling, profession or occupation for which the same was granted. Every person having a license under the provisions of this ordinance, shall produce and exhibit, the same when applying for a renewal thereof and whenever requested to do so by any police officer or by any officer authorized to issue, inspect or collect licenses.

SECTION 8: All police officers are hereby appointed inspectors of licenses and in addition to their several duties as police officers, are hereby required to examine all places of business and persons in their respective beats liable to pay a license and to see that such licenses are taken out, and to perform such other duties and deliver such notices as are herin provided to be performed or delivered by them, and shall have and exercise the power to make arrests for the violation of any of the provisions of this ordinance. It is hereby made the duty of all police officers to cause complaints to be filed against all persons violating any of the provisions of this ordinance; and they are hereby directed to carry into effect the provisions hereof.

SECTION 9: The conviction and punishment of any person for transacting any trade, calling, profession or occupation without a license, shall not excuse or exempt such person from the payment of any license tax and penalty, due or unpaid at the time of such conviction, and the same may be collected by said City Clerk by a civil action in the name of said City, or otherwise, as may be necessary or convenient; and nothing herein shall prevent a criminal prosecution for any violation of the provisions, or any of the provisions of this ordinance.

SECTION 10: For the purpose of this ordinance, a peddler is defined to be and include every person not having a regularly established place of business in the City of Nevada, who travels from place to place or from house to house, or has a stand upon any public street, alley or other public place, door-way of any unoccupied room or building, who sells or offers or exposes for sale, at wholesale or retail, any goods, wares, merchandise, or other personnal property in his possession.

SECTION 11:

(a) Every peddler, other than those hereinafter described, shall pay a license tax of $15.00 per quarter-year.

(b) Every peddler or person, outside of those conducting a regular place of business in said City of Nevada, selling, offering, or exposing for sale any fruits, vegetables, farm produce, bread, cakes, cookies, meats, meat products, groceries, foods or food products of any description to any wholesale or retail dealer therein, merchant, tradesman, consumer, or any person whatever, whether by sample or otherwise, shall pay a license tax of $15.00 per quarter-year; PROVIDED, HOWEVER, that every peddler or person selling, offering, or exposing for sale only fruits, vegetables, farm produce or dairy products raised or produced by himself, shall have the right to do so without payment of any license tax or fee whatsoever, but must secure from the City Clerk, without cost, a license therefor.

(c) Every peddler or person, outside of those conducting a regular place of business, selling different articles of wearing apparel, dry goods, fancy goods, optical appliances, electrical appliances, groceries, vehicles, hardware, tinware, photographs, tintypes, medicine, harness, pianos, organs, musical instruments or musical merchandise, sewing machines, books, printed matter, periodicules, stationery, mill products mechaincal devices, machinery of any kind, or merchandise of any class or character, or any stock bond, or other security, to persons not engaged in carrying on such lines of business, whether by sample or otherwise, shall pay a license tax of $15.00 per quarter-year, payable in advance.

SECTION 12: Every person conducting, managing or carrying on a hotel, rooming house, or lodging house, shall pay a license tax for each guest room over six guest rooms of 20c per quarter-year.

SECTION 13: Every person engaged in the business of conducting a restaurant, cafe, or public boarding house, shall pay a license tax of $2.00 per quarter-year.

SECTION 14: Every person conducting, managing or carrying on a barber shop shall pay a license tax of $1.00 per chair per quarter year.

SECTION 15: Every person engaged in one or more of the following kinds of business, trades, callings, professions or occupations, to-wit: As a dentist, physician, surgeon, osteopath, chiropractic, chiropodist, undertaker, architect, optician, optometrist, lawyer, cicil engineer, veterinary, surgeon, real estate broker, or dealer, fire-life or accident-insurance agent, building and loan agent, investment company agent, or surety company agent, or collector of debts, claims or demands or collection agency, in said city, shall be classified in accordance with the amount of his average monthly gross sales or average monthly gross income, (whichever is larger,) from such business, trades, callings, professions, or occupations, in said city during the quarter-year next preceding the quarter-year for which a license is sought or issued, and shall pay a license tax in accordance with the classifications and rates fixed by Section 32 of this Ordinance and the provisions of said Section 32 shall apply to all such kinds of business, trades, callings, professions or occupations.

SECTION 16: Every person conducting, managing or carrying on a theatre containing a permanent stage upon which movable scenery and theatrical appliances are used, or any moving picture theatre, where moving or motion pictures are exhibited where any admission fee is made or charged shall pay a license tax of $10.00 per month.

SECTION 17: Every person conducting, managing or carrying on a boxing or wrestlin exhibition, shall pay a license tax of $25.00 for each exhibition.

SECTION 18: Every person conducting, managing or carrying on a circus, or other similar exhibition, a tent-show, or theatrical performance, at any place in said city other than a regularly licensed theatre, shall pay a license tax of $10.00 per day, or $60.00 per week. Every person conducting or managing a circus procession or parade and not having a license for conducting, managing or carrying on a circus within the limits of the City of Nevada, shall pay a license tax of $100.00 for each such procession or parade.

SECTION 19: Every person engaged in or carrying on the business of an auctioneer for the sale at auction of any real or personal property shall pay a license tax of $10.00 per quarter-year.

SECTION 20: Every person conducting, managing or carrying on an auction house wherein any real or personal property is sold at auction, shall pay a license tax of $25.00 per quarter-year.

SECTION 21: Every person managing or carrying on a temporary or transient place of business for the sale of goods, wares or merchandise or managing, conducting or carrying on any bankrupt sale or other sale of any stock of goods of any merchant who has become bankrupt, or failed in business, shall pay a license tax of $50.00 per month or any portion thereof.

SECTION 22: Every person conducting, managing or carrying on the business of manufacturing ice, or conducting a cold storage or refrigerating plant for the purpose of storing fruits, vegetables, meat, fish, eggs or dairy products, shall pay a license tax of $5.00 per quarter year.

SECTION 23: Every person conducting, managing or carrying on the business of buying or selling, either at wholesale or retail, any old rags, rubber, sacks, bottles, cans, papers, metals, or other articles commonly known as junk, and having a fixed place of business in said city, shall pay a license tax of $5.00 per quarter-year.

SECTION 24: Every person conducting, managing or carrying on the business of buying or selling, either at wholesale, or retail, any old rags, rubber, sacks, bottles, cans, papers, metals, or other articles commonly known as junk, and having no fixed place of business, in said city, shall pay a license tax of $5.00 per quarter-year for each vehicle used in said business.

SECTION 25: Every person carrying on the business of posting bills, posters or advertisements, or sign advertisements, by means of bill-boards or advertising sign-boards, shall pay a license tax of $5.00 per quarter-year.

SECTION 26: Every person conducting, managing or carrying on the business of an automobile or public service filling station where gasoline, benzine, engine distillate, kerosence, stove distillate, or furnace distillate, or either of them is sold and delivered, or stored, shall pay a license tax of $2.00 per quarter-year.

SECTION 27: Every person conducting, managing or carrying on the business of selling gasoline, benzine, engine distillate, stove distillate, or furnace distillate, except at an automobile or public service filling station as aforesaid, shall pay a license tax of $15.00 per quarter-year.

SECTION 28: Every person engaged in, conducting, managing or carrying on the business of distributing within the City of Nevada, samples of medicine, drugs, foods, or food products, for which no charge is made, received or collected, shall pay a license tax of $5.00 per month.

SECTION 29: Every person engaged in, conducting, managing or carrying on the business of distributing within the City of Nevada advertisments, hand bills, or other advertiseing literature, for which no charge is made, received or collected, shall pay a license tax of $5.00 per month.

SECTION 30: Every astrologer, seer, fortune teller, clairvoyant, palmist, mind reader or spiritualist who demands or receives a fee for his or her services, shall pay a license tax of $15.00 per week, in advance.

SECTION 31: Every person engaged in one or more lines or kinds of business, other than those for which a license is required under the provisions of any other section of this ordinance, or under the provision of any other existing ordinance at the time in effect, within or partly within the corporate limits of said City, shall be classified in accordance with the amount of his average monthly gross sales of average monthly gross income (whichever is larger) from such business, in said city, during the quarter-year next preceding the quarter-year for which a license is sought or issued, as follows:

(a) Those whose average monthly sales or income as aforesaid, are less than $1000.00, shall be known as "Class A", and shall each pay a license tax of $2.00 per quarter-year.

(b) Those whose average monthly sales or income as aforesaid, are $1000.00 or more, and less than $3000, shall be known as "Class B" and shall each pay a license tax of $3.00 per quarter-year.

(c) Those whose average monthly sales or income as aforesaid are $3000.00 or more, shall be known as "Class C" shall each pay a license tax of $5.00 per quarter-year.

The classifications aforesaid shall be made, and any such classification may be thereafter changed, by the City Council, at any meeting of said council.

In the event any licensess, or prospective licensee, shall be dissatisfied with his classification for any license period, he may at the first regular meeting of said City Council after the beginning of such license period, appear before said City Council and submit a verified statement of the receipts and income of his business as to which such classification has been made, showing the total amount thereof during the license period next preceding the period as to which such classification was made, and produce any and all books of account and other records of such business, for the examination thereof by said City Council, and submit to examinations under oath concerning such business; whereupon, it shall be the duty of said City Council to examine in to the affairs, books, and records of such business and, if the same show such classification to have been erroneous, to order the proper classification of such business to be made effective as of the first of the current license period, and to order the refund of any excess of license tax paid on account of such erroneous classification. A new business commencing within said City shall be classified as within "Class A" aforesaid for the quarter-year or portion of said quarter-year, during which such business may be commenced.

SECTION 32: Every person engaged in, conducting, managing or carrying or, more than one kind of business, for which a license is required under the provisions of more than one section of this ordinance, shall procure a separate license under each such section hereof, and shall pay all the various license taxes thereof in the amounts and in the manner there in specified; provided, however, that the aggregate amount of all such license taxes shall not exceed the sum of $5.00 per quarter-year, except in case the tax upon one of such license shall be in excess of said sum of $5.00 per quarter-year; in which event, the aggregate of all such license taxes shall not exceed the amount of such last mentioned license tax.

SECTION 33: Any person who shall engage in, transact, conduct, manage or carry on any business, trade, calling, profession, game, exhibition, or show, within said City of Nevada, or who shall assist another to do so, and for which a license is or may hereafter be required, without first having procured such license and paid the license tax therefor, and every person violating any of the provisions of this ordinance, or assisting another to do so, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine of not more than $300 and not less than $20.00 or by imprisonment for a period of not more than three months or by both such fine and imprisonment.

SECTION 34: Nothing herein imposes, or shall be construed as imposing, any tax upon interstate commerce or any other business, trade, calling, profession or occupation, which is by law exempt from taxation by said City. In the event any person manages, engages, conducts or carries on any business, trade, calling, profession, or occupation, for which a license tax is hereby imposed, a portion of which business, trade, calling, profession or occupation is by law exempt from taxation by said City, the provisions of this ordinance shall affect, apply to, and be based upon, only the portion thereof which is not exempt from taxation by said City.

SECTION 35: Should any section or any portion of any section of this ordinance be found unconstitutional or for any reason invalid, the remainder shall continue in full force and effect, it being expressly declared that such is the intention.

SECTION 36: All ordinances or parts of ordinances in conflict with the provisions of this ordinance, are hereby repealed.

SECTION 37: Any license, provided, under the provisions of this ordinance may be cancelled by the City Council after five (5) days' notice to the holder of said license and a hearing had pursuant to said notice, at which the holder shall have the right to offer evidence and have the services of counsel, when it satisfactorily appears to the Council that said holder has violated any of the conditions of said license, or has violated, or permitted to be violated, any law of the United States, or of the State of California, or any ordinance of the City of Nevada on the premises where the business covered by said license is being conducted and thereafter the person whose license has been so cancelled shall not be entitled to receive any business license of any character from the City of Nevada except on a permit from the City Council. The notice herein provided for shall contain in substance in the nature of the charge against the holder of the license and a statement of the place and date of the hearing, and may be served personally or left at the place of business of said holder.

No license shall expire by reason of limitation after the filing of charges against the holder thereof and pending the final hearing and disposition of the said matter by the City Council, but all such licenses shall continue in force until the City Council shal finaly order the same to be cancelled or shall order the proceedings affecting said license dismissed.

SECTION 39: THIS ORDINANCE shall be published in the Nevada City Nugget, Nevada City, California, and shall go into effect on the day of 193.

Captain Vernon Snell and wife of the Philippine Islands, who have been visiting relatives in Grass Valley over the holidays, called on Mrs. Clara Scarle in Nevada City Wednesday. Mr. Snell was employed under George Scarle when he had charge of this territory for the P. G. & E., several years ago and this is their first trip home in some time.

STATE TRAFFIC SURVEY WILL BE MADE BY C W A

The constant flow of more than 2,000,000 motor vehicles over California's 120,000 miles of city streets, county roads and state highways is to be counted, measured and analyzed in a statewide traffic studf without precedent in the United States. The origin, destination, distance traveled, type of travel and other features of automobile journeys will be determined as a basis for future highway development.

Announcement of this detailed study of traffic conditions throughout the state, to be conducted by the Division of Highways, is the result of conferences between officials of the California State Automobile Association, the Automobile Club of Southern California, and the State Department of Public Works. The study will be made with CWA personnel and funds for which approval has already been secured from Federal government officials. Men for the studies will be selected from C. W. A. workers qualified to handle clerical work. Traffic conditions on city streets and county roads as well as state highways will be included in the study.

"This study to be made by the state with the use of CWA funds and personnel will be the most exhaustive and valuable traffic investigation ever conducted in the United States," said H. J. Brunnier, chairman of the Good Roads Committee of the California State Automobile Association. "It is something that has been needed for a long time and will produce factual information from which we can more intelligently proceed with street and highway development."

The Engineering Department of the Automobile Association will cooperate with the state in making the surveys.

The undertaking will consist of traffic counts and studies on all streets, roads and highways. A traffic checking station will be established for about every unit of 2,000 population. The volume, type, origin, destination, distance traveled and other traffic facts will be collected and analyzed.

The Nevada City Nugget is Now $2.50 per year

WASHINGTON NEWS

WASHINGTON, Dec. 28.—The sad news was received in Washington of the passing of Mr. George Beckwith, who has visited Washington for many years past. Mr. and Mrs. Beckwith have a summer home here, and have many friends in our little town who extend to the family their sincere sympathy.

Mr. and Mrs. H. O. Kohler, spent their Christmas holiday at Pleasant Valley with relatives.

George Kohler, who is attending Stanford University, is a guest of his parents, Mr. and Mrs. H. O. Kohler.

Mr. C. M. Cole received the sad news of the death of his cousin, Mrs. Chester Le Noir, of San Francisco, who has been ill for some months. Mrs. Le Noir was well known in this place, as she spent her early girl hood here. Before her marriage, she was Miss Lavina Simmons. She is survived by her mother, Mrs. Millie Egnhart of San Francisco, her husband, Chester Le Noir, her young daughter, Joan Le Noir and a cousin, Mrs. A. Schmartz of El Cerrito and Cylde Cole of Washington.

Mr. W. W. Waggoner of Nevada City was a recent visitor in Washington.

James Penrose of Nevada City visited Washington last week.

Mr. A. Schwartz and son Milton, spent their Christmas holiday at the Schwartz ranch in Pleasant Valley.

WASHINGTON, Jan 1.—Happy New Year to everyone! New Years passed quietly in our town. A drenching rain has been falling steadily for several days.

The post office of Washington was changed to the Washington Grocery store yesterday. Mrs. Foster is the new post-mistress. Mrs. E. J. Haverstock resigned several weeks ago. The postoffice has been at the hotel for several years.

The Washington school opened again January 2nd., after the usual holiday vacation with nine pupils.

George Kohler has returned to the University of Stanford today after his vacation here.

Mrs. Rutherford Stephens was a business visitor in Grass Valley Friday.

MINING ASSN. TO MEET WITH ALTA CALIFORNIA INC.

The annual convention of Alta California, Inc., and the Mining Association of California will bring together principals and members of both organizations in a joint session to be held at the Hotel Senator, Sacramento, January 13. The two organizations have been closely cooperating for the past several months in a united effort to revive interest in the mining industry of California. Although mining will be the principal theme of the joint convention of the two associations, Edward Morris, managing director of Alta California Inc., announces the following tentative program for the day:

Separate morning sessions commencing at 9 o'clock a. m., will be held by the two organizations for the purpose of transacting the business of the two bodies. Annual elections of officers will take place at these sessions, as well as presentation of various committee reports and reports of the officers. Various Alta California committees which will present reports to the general assembly of the organization in the morning session are: Women's Beautification Committee, under the direction of Ada Jordan Pray of Durham; Mining Committee, under the direction of J. P. Branley of Greenville; Board of Directors report by Frank L. Roohr, president, of Chico; report of the Managing Director, Edward Morris; report of the treasurer, Harold J. McCurry, Matters pertaining to the operation of the organization will be discussed in open forum, and plans for the conduct of the organization's affairs during the ensuing year will be adopted.

The Mining Association of California, in open forum discussion, presided over by George W. Starr, president ,will discuss the work done during the past year and formulate plans for procedure during the coming year.

At noon; members of both the Mining Association of California and Alta California Inc., will join for a luncheon and afternoon speaking program.

Harold J. McCurry, president of the Sacramento Convention Bureau, which is acting as co-host for the convention, will give the address of welcome. Roy Clair, manager of the Convention Bureau, will assist in receiving the guests and in presenting the entertainment features.

Judge John F. Pullen, justice of the appellate court, will act as toastmaster for the afternoon session. Tentative speakers' program includes: Dr. L. I. Hewes, chief of the Western Division, U. S. Bureau of Public Roads; Earl Lee Kelly, director, State Department of Public Works; George W. Starr, president, Mining Association of California; F. L. Roohr, president, Alta California Inc., and Bert B. Meek, of San Francisco.

More than 500 persons from all parts of the state are expected to attend this joint session. The San Francisco Mining Exchange has announced its intention of closig on January 13th to enable its members to attend the convention in a body.

SPRING HILL CUTS DIAMOND DRILL STATION

The Spring Hill mine, is reported to be cutting a diamond drill station.

This is one of the new mines in the district which adjoins the Idaho-Maryland property on the north. H. R. Plate is superintendent.

BLUE POINT GRAVEL SHAFT DOWN 130 FEET

The Blue Point gravel mine near Smartsville, has sunk and timbered an incline shaft to the 130 foot depth.

Superintendent R. Paine is in the east on a business trip and will return shortly.

STATION IS CUT ON HOGE'S 12000 FT. LEVEL

The Hoge mine north east of Nevada City is cutting a station at the 1200 foot level.

Good ore is being mined and milled from three or four upper levels.

Fewer Aches and Pains More Health and Pleasure

PAIN drags you down—physically, mentally, morally.

Why continue to endure it? Try Dr. Miles Anti-Pain Pills for *Headache, Neuralgia, Muscular, Rheumatic, Sciatic,* and *Periodic Pains.* They seldom fail.

Dr. Miles Anti-Pain Pills are pleasant to take and prompt to act. They do not upset the stomach, cause constipation or leave you with a dull, depressed feeling.

Ask your druggist or any of the hundreds of thousands enthusiastic users. Probably you too can find relief.

I think all Dr. Miles medicines are wonderful, but Anti-Pain Pills are my favorite.
Mrs. Doc Blankenship, Stamford, Texas

I have used your Anti-Pain Pills only a short time, but they have given me prompt relief. They did for me in a week more than any other medicine I had taken for a year. Phil Goller, Milwaukee, Wisconsin

I am never without Anti-Pain Pills. I think they are much better than anything else I have ever used. Sometimes when I am tired and nervous, and feel like I would go under, I take two Anti-Pain Pills and in a sort time I feel like a different person. Mrs. S. Tidabach, Stroudsburg, Pennsylvania

Your Anti-Pain Pills have been used in my home with wonderful results. I recommend them.
Maggie Belle Dudley, Vanceboro, N. C.

Your Anti-Pain Pills helped me a great deal. I have used them for years. I carry them everywhere in my purse and always keep them in the house. They have saved me a great many sick headaches.
Mrs. Jennie Neill, Coronado, Calif.

SUBSCRIB FOR THE ... VADA CITY NUGGE NOW.

Mr. and Mrs. C. G. Sweeney and son, Ben, have returned home from a visit over the Christmas holidays in San Francisco, with their daughter, Mrs. Cathcart.

A deal was completed this week through O. D. Woodman, real estate salesman of Nevada City, in which the apartment house of Mrs. Alexina Grizzel was sold to W. F. Roddy.

Leo Hanson of the Bosworth Furniture store, spent a ten day holliday in the bay cities visiting relatives and friends.

Mrs. Agnes Taylor Is Hostess To V. F. W. Auxiliary

The Ladies Auxiliary, of the Veterans of Foreign Wars of Nevada City, enjoyed a party at the home of Mrs. Agnes Taylor last evening.

All the grown-ups came dressed as kiddies and the evening was one of fun and jollity.

Two teams in the Auxiliary are making a drive for new members which lasts till the last of March. The losing side will entertain the winners with a dinner.

Rock Shower Breaks Windows

While the CWA crew was blasting along Park avenue Wednesday where widening operations are in progress, a heavy shot sent a shower of rocks into the yard and upon the house of Alfred H. Haddy. Several windows were broken.

Don't Get Up Nights
Make this 25c Test

You need a bladder physic to drive out impurities and excessive acids that cause irritation, burning and frequent desire. Get a 25c test box of BUKETS, the blader physic, from any drug store. After four days if not relieved of getting up at night go back and get your money. BU-KETS, containing buchu leaves, juniper oil, etc., acts on the bladder similar to castor oil on the bowels. If you are bothered with backache, or leg pains arising from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. Sold By— the Dickerman Drug Store, Nev. City. B51

John D. Stays In North

His physician's fear of a cold has prevented John D. Rockefeller, 94-year-old oil multi-millionaire, from making his annual journey to his winter home at Ormond Beach, Fla. This is the first time he has failed to make the trip. Above is a recent picture of Rockefeller.

DR. REED HOME FROM TRIP

Dr. W. W. Reed, prominent Nevada City physician, returned home Monday from a two week's vacation spent with his parents in Grand Junction, Colorado.

He was quite nappy to return to Nevada City, where he established his business about two years ago, as he enjoys western hospitality and California climate.

Tuesday afternoon he was called to the Zeabright mine near Emigrant Gap, to care for and bringing out Bob White, a miner, who broke his leg. It took most of two days to bring the injured man out over the bad roads.

THOMAS TORPEY HURT

Thomas Torpey, while entering his car on a wet day last week, slipped and dislocated his collar bone. He was taken to the Nevada City Sanitarium where Dr. A. H. Tickell took an X-Ray picture of the dislocation.

Mr. Torpey was down town this week carrying his arm in a sling.

BANK OF AMERICA AGAIN TROTS IN BILLION CLASS

With earnings totaling $9,302,000 or three times the present annual dividend requirement, and with total deposits showing an increase of $76,393,000 for the past twelve months, the Bank of America has maintained the record of consistent progress that has characterized the institution since the Giannini management again took over the control.

Dividends, which were resumed in June, 1933, were paid in the amount of $2,325,000. After paying these dividends, and appropriating a large amount for reserves, $4,587,000 was added to undivided profits, bringing the total of this account as of Dec. 30, 1933 to $15,176,000.

This makes the Bank of America again a billion dollar bank, the last of the year statement shows. Total deposits amounted to $826,051,000, which compared with $749,658,000 at the close of 1932. An increase in cash of $35,818,000 and a $49,130,000 increase in the bank's investment in United States government bonds for hte year just past are shown in the report of condition, which will be found in thiss issue.

Mr. and Mrs. J. J. Jackson Jr. entertained New Years Day with a family reunion and dinner.

Those present for the happy occasion were: Mrs. Jackson's parents, Mr. and Mrs. Frank Pierce and Mr. and Mrs. Holden Pierce, Ralph Pierce, Mrs. J. J. Jackson Sr., Mr. and Mrs. R. L. Howard of Sacramento and the host and hostess.

Harry Stephens has been quite ill at his parents home for the last week and his many friends hope for him an early recovery.

Mr. and Mrs. Paine had as holiday guests their daughters, Miss Gertrude Paine of Sebastopol, and Mrs. O. E. Tracy and husband of Chico.

The Nevada City Nugget is Now $2.50 per year

BEAUTY AND BARBER SHOP TO OPEN HERE

A new beauty parlor and barber shop will occupy the former theater building at 239 Commercial street. The new shop will be open for business next Monday. The old front was taken out and the interior thoroughly renovated recently.

The proprietors of the new shop are Mr. and Mrs. Ainsworth, recently of Grass Valley. They are installing all the latest devices and modern equipment for meeting all the demands of their clientels. They have recently purchased a home in Nevada City on Niven's Lane.

CONSTIPATION

Everybody should recognize the danger of chronic constipation as all first class physicians do. He knows that Chronic constipation is the root of most sickness and disease. Everybody suffers from chronic constipation should look for permanent results instead of temporary relief. The more physic you take the worse your condition becomes. The physic is too strong in its action. It causes uncomfortable and painful action. It irritates and inflames, wearing out the lining of the intestines and bowels. If you continue taking it you will permanently endanger your health. Stop today and consult Yee & Yee, Herb specialists, and start on the way to good health.

There are many hundreds of different kinds of herbs, roots and barks. Each herb has its own healing power and purpose for certain ailments. The Chinese Herbalists knows what each kind of herb will do. You may need certain herbs to increase digestive powers; or others to make your liver active; some to assist in carrying out poisons; some to build up the lining in the stomach and intestines; other herbs to restore your strength and lost vitality. All together will help nature carry out her proper functions and actually produce a natural bowel movement in a natural way.

Our herbs have helped many prominent citizens of Sacramento, Grass Valley, Nev. City and throughout the state when their cases were pronounced hopeless by others. There is no reason why you should hesitate to try them.

Constipation is the direct cause of many disease and sickness. Unless quickly relieved, it may be the cause of mental ailment. If the bowels were kept open a natural way, thousands of sickness and diseases would be avoided and physical health would be general throughout the world.

Most cases of constipation are from one of the following causes. 1 Sedentary occupation; lack of proper exercise. 2. Overeating, or wrong combination of foods. 3. Indigestion. 4. Inactive liver. 5. Infalmmation of the intestines and bowels. 6. Improper eating; (a) may be too much fried food or too much meat or may be too highly seasoned foods, such as pepper, mustard, catsup, horseradish etc.

SOCIAL EVENTS

Miss Virginia Benjestorf Weds James Stoddard

James Stoddard, former army pilot and now a member of the National Forestry staff, was married on December 28 to Miss Virginia Benjestorf of San Bernardino in Yuma, Arizona. The happy couple will make their home at Log Cabin to which territory Stoddard has been assigned. About a year ago Stoddard had a bad crack-up near Reno when he encountered heavy cloud conditions. The many friends of the couple, here and in San Bernardino, in both army and forestry circles, wish the couple all happiness.

Laurel Parlor Gives Enjoyable Card Party

After their regular business meetings Wednesday evening Laurel Parlor, N. D. G. W., held another of their popular card parties. Eleven tables of players enjoyed playing auction and contract bridge, whist and mah jongg.

The door prize was won by Miss Zoe Tredennick, while Mrs. Anna Tucker won first prize in auction; Mrs. Brooks, whist and Mrs. Walter Mobley, mah jongg.

Mrs. Clara Scarfe is quite ill with the flu.

Champion Circle Installs New Officers

Champion Circle, No. 325, Neighbors of Woodcraft, held a special meeting Wednesday afternoon during which several candidates were initiated.

Thursday evening the newly elected officers were installed in office. They are: Margaret Clark, past guardian; Nance Shattuck, guardian neighbor; Neva Pianezzi, advisor; Agnes Worthley, magician; Cordelia Dalton, attendant; Jane Baker, clerk and Therese McCloud, banker. Mrs. Adeline O'Connor acted as installing officer. A delightful social time and a turkey dinner were greatly enjoyed.

Downey Family in Happy Reunion

The home of Mrs. George Downey was the scene of a happy reunion New Years day when members of her family gathered to enjoy a delicious feast.

Those present were, Miss Retha Downey of Smartsville; Mr. and Mrs. Merton Downey, Mr. and Mrs. Russell Wilson and Mis Elizabeth Wilson, all of Grass Valley. Halstead and Allan Downey, Miss Margaret Smittcamp, and Mrs. George Downey.

Bosworth Family Host to Many Friends

Mr. and Mrs. C. E. Bosworth entertained the following over New Years, Mr. and Mrs. L. C. Culford and family of Livermore; Mr. and Mrs. Cliff Carveth and Mr. and Mrs. Wm. Mitchell, of Grass Valley and Mr. Otto Koopman.

While Mr. and Mrs. Bosworth moved here recently from Livermore they are not strangers as Mr. Bosworth has several world war pals here among them being Cliff Carveth of Grass Valley and Lou Elkus of Nevada City.

Cornish Choir to Sing Carols Here Sunday

The Cornish Carol choir of forty voices of Grass Valley will sing in the Methodist church in Nevada City next Sunday morning.

This choir is renowned for their splendid voices and all who attend are promised a musical treat.

Mr. and Mrs. J. F. Dolan entertained a number of relatives at their home New Years Day. The occasion was a most happy one and the good sized gathering enjoyed a jolly social time as well as a delicious dinner.

LOCAL HAPPENINGS

Mrs. Walter M. Berg, teacher in the Los Angeles schools, returned home Sunday after a pleasant holiday vacation spent in Nevada City with her parents, Mr and Mrs. William Kervin.

Mr. and Mrs. W. C. Perry left last Sunday for Salt Lake City, Utah, their former home, and returned Wednesday with Mr. Perry's mother, Mrs. E. L. Perry, while it was a short trip Mr. and Mrs. Perry enjoyed it immensely. Thomas L. Carter, manager of the Safeway Store in Grass Valley, also went to Salt Lake City and returned with his two small daughters, who will reside with him in Grass Valley.

Mr. and Mrs. E. R. Powell have returned from San Francisco where they spent Christmas with their daughter, Mrs. F. Hare.

Joe O' Neill made a short holiday visit in Oakland.

Supervisor C. S. Arbogast and Miss Katherine Kinkhead of Nevada City were called to Oakland Saturday on account of the serious illness of Miss Kinkead's brother, W. B. Kinkead. He was in a critical condition for some time but seemed better Monday when Miss Kinkead and Mr. Arbogast returned home.

Mr. and Mrs. George Osterman after spending the holiday season with his mother, Mrs. Clara Scarfe, of Nevada City, left early Monday morning for their home in Hollywood. A telegram from them late that evening stated they made the trip over the ridge route in southern California safely, passing many slides and washouts.

Mr. and Mrs. Ed Johnson, who spent the New Years holidays with her mother, Mrs. Mary Guenther, and brothers and sisters, left early Tuesday for their home in San Francisco.

Marshall Giselman is the first Nevada City resident to sport the new auto license plates. He purchased them while in Sacramento Wednesday.

TODAY

By Arthur Brisbane

Doctors experimenting at Cornell say that many diseases — sciatica, neuritis, lumbago, neuralgia, augina pectoris and others — are really all caused by "mechanical nerve irritation."

They "discover" that injury to a small bone at the base of the back can cause pressure on nerves that in one man will cause pain in the foot, in another chronic headache. Their remedy is to set this bone in place.

Taken from the Los Angeles Examiner of May 25, 1926.

Pressure UPON NERVES

Is The Cause Of Your Sickness

Chiropractors have known that for over 30 years and by the practical application of that theory are curing thousands of patients daily. By admitting that pressure upon the nerves is the cause of neuritis, lumbago, neuralgia, etc., they have admitted a wonderful fact; but, why not go further and tell all the truth—that the Cause of probably 95 per cent of all disease is due to pressure upon nerves?.. It takes a long time for any great discovery to gain full recognition, but the fact remains that medical doctors are little by little admitting Chiropractic principles.

Competent Chiropracters are spine and nerve specialists. Chiropractic is the only healing science that can scientifically make mechanical adjustments of the small bones of the spine.

If one of the small bones of the spine becomes slightly out of place, it causes a pressure upon a spinal nerve and that organ or part of your body supplied by that nerve will in due time become diseased, be it your stomach, heart, lungs, kidneys, eyes, intestines, arms, legs, etc.

You should now realize the importance of having and keeping your spine free from nerve pressure. Investigate this wonderful science before you say you can't be cured.

VOL. VII. No. 18 | The County Seat Paper | NEVADA CITY, CALIFORNIA | The GOLD Center | MONDAY, JAN. 8h, 1934

Ski Club and Lions Unite to Put Over Great Snow Carnival

A gathering of Ski Club members and executives yesterday afternoon at the club house put forward the plans for the big snow carnival, which is now scheduled for February 3 and 4. Among those who answered the call of the President, Miles Coughlin were Earl Covey, Archie Rowan, Clark McGinnis, Ray Murchie, H. M. Leete, Richard Parsons, Glen deYoe, Leland Smith, and Max Lantz, manager of the club house and grounds.

Estimates for flooring the loft of the big club house were made, and it is proposed to have it laid and in first class shape in time for the big barn dance which will be one of the features of the snow carnival. In former times, the club house, known as the old Central House, was used for housing the horses at the stage station and the loft was used for the storage of hay. The huge beams and girders are therefor of usual strength.

A rustic railing five feet high, it is proposed will be placed around the dance floor. Pine slabs set vertically will probably be utilized for this purpose. There are several plank benches.

Between now and the big event, which will comprise a two-day program of moonlight sleigh rides, snow shoe and ski races, ski stunts, beauty contest with all the fairest maids of the mountains and valley counties adjacent to this area competing, community singing, and music by the Lions club orchestra. These are only a few of the proposed program features to fill two days of fun and frolic.

The Lions club of Grass Valley has enthusiastically endorsed the plan and is throwing itself whole-heartedly into a big advertising campaign to put the program over with a bang. Throngs of merry makers from San Francisco bay and Sacramento valley, it is believed will be attracted to the Nevada county Winter Sports carnival, if the event is sufficiently advertised.

The general committee in charge of the event consists of two groups:

Lions committee: Glen deYoe, chairman; Archie Rowen, Fred Conway, Earl Bonham, William Partridge, Ski Association Committee: Clark McGinnis, chairman; Richard Parsons, Leland Smith, Walter Carlson, H. E. Kjorlie, Publicity Committee, Earl Caddy, Glen deYoe, Harley Leete, John W. O'Neill. Max Lantz, club manager will give all committees ful assistance.

Drawing attention to winter sports in this area, activities of the Grass Valley-Nevada City Ski Club are detailed in the current issue of Motor Land, published by the California State Automobile Association. The location, facilities, and other features of the club's winter sports area are listed in a summarized review of all principal snow play localities in northern and central California. The Grass Valley-Nevada City grounds are described as "excellent for snow sports." Special reference is made to the skiing facilities the ski exhibitions conducted each season, the toboggan slide, ice rink, and other details. The summary is published in connection with an article entitled "Cashing In On Winter," an attractive discussion of winter sports in California, by Doris Schmiedell. This form of outdoor sport now draws more than a million Californians to the mountains each season, the article states.

DEER CREEK RESIDENTS PLANNING LOG CHURCH

As a memorial to the first Stockdales who settled there, the residents of Deer Creek have launched a movement to erect a non-sectarian community church building. The site suggested is beside the burial place of these pioneers, whose bodies, with those of two of their children, rest in an acre particularly adapted to the project. Fitting the sentiment of the proposal, the structure would be of logs—with a bell tower and bell—of size sufficient to house the community families. It is hoped that those interested in spiritual and cultural influences will contribute to the purpose of the enterprise. Such influences have been absent from the Creek for many years, and the suggestion of Jean Harlow that they be restored was welcomed by the community folk. Nevada City and Grass Valley ministers have pledged their services to further this Deer Creek enterprise.

William Robb, employed at the Murchie mine, east of Nevada City, was burned about the face Sunday hrough an explosion of carbide. He was brought to Nevada City where Dr. B. W. Hummelt rendered first aid.

CITY TO HAVE NEW BANK OF AMERICA BLDG.

The Bank of America National Trust and Savings Association, through E. M. Rector, vice president and manager of the Nevada City Branch, is happy to announce to its friends and depositors in Nevada and Sierra counties, the purchase of the Philip Richards Estate property at the northwest corner of Broad and Pine streets, Nevada City. The acquisition of this most prominent corner of Nevada City's business section will be hailed as pleasing news by the Bank's many patrons, and significantly attests the Bank of America's confidence in the future welfare and prosperity of Nevada City and its surrounding area. Co-incident with the transfer to the Bank, the former Citzen's Bank property is being purchased by the Richards Estate, and the building, now thoroughly remodeled, has been leased to the Safeway Stores for a term of years.

"For many years" said Mr. Rector "the business of the Bank has been steadily outgrowing its present restricted quarters, and the growing volume of patronage coupled with the prosperous condition of our local community, clearly points the way for enlarged and bettered quarters which will be at once a convenience to our patrons and ourselves, as well as an ornament to our city. It is particularly gratifying to state that the bank headquarters officials share the optimism of the local management in Nevada City's future, as evidenced by plans for a bank building to be erected on the Broad and Pine corner, which will afford the people of our local community and the surrounding towns in Nevada and Sierra counties, facilities of which they may well be proud. On account of the difficulty of winter construction, building operations will probably be deferred until freezing weather is past."

"I feel that this announcement, fraught with much for the future welfare of Nevada City, would be incomplete without a message of thanks to the good friends of Nevada and Sierra counties whose loyal support and confidence in their local financial institution, has now made it possible to erect a banking headquarters in keeping with the progress of this community and the Bank of America which serves it."

LABOR CAMP MEN ARE PAID TOTAL OF $1600

One hundred men at the State Labor Camp, south of the high school on the highway, on Saturday, were paid an aggregate of $1,600 by State Forester W. F. Sharp, camp superintendent. The rate was 45 cents per hour for a 30 hour week and 50 cents a day is deducted for board. When they can do so, the men are required to provide their own clothing and bedding. A contingent of Nevada county men, numbering 17, entered the camp last week. The men are enrolled from Sacramento, Yuba, Sutter and Nevada counties.

MINE PROSPECT BRIGHEST EVER SAYS GEO. STARR

Plans by which mining can secure government aid, how legitimate projects may be relieved of the almost prohibitive costs of financing and methods for the advancement of mining will be among the leading objectives to come before the annual meeting of the Mining Association of California.

The meeting will be called at 10 o'clock Saturday morning, January 13, at the Hotel Senator in Sacramento. The morning session will be devoted to business and the election of officers. Luncheon and a speaking program in the afternoon will be held jointly with the Alta California, Inc., members.

"Never before in the history of the nation has there been offered as great an opportunity for mining as at present," says George W. Starr, president of the Mining Association of California. "It is a time when every mining man should unite with his neighbor and take advantage of such promising conditions."

TRANSAMERICA TO PAY DIVIDEND

Transamerican Corporation today resumed regular dividend payments on capital stock when directors authorized a disbursement of 12½ cents a share to be paid January 31 to stock of record January 16. The aggregate amount of the disbursement is $2,960,240 on 23,681,926 outstanding shares.

The last dividend on Transamerican stock was 10 cents a share paid July 25, 1931. At that time, Transamerica Corporation and its predecessor, Bantitaly Corporation, had paid cash dividends to stockholders in the total amount of $107,130,000 over the period of their 12 years' existence.

"While Transamerica Corporation has definitely resumed the payment of dividends, the Board of Directors have decided that the time is not yet opportune to determine whether future dividends should be on a quarterly or semi-annual basis," said L. M. Giannini, Chairman of the Executive Committee. "Definite action in that respect must await the assurance of improvement in world-wide conditions.

"The resumption of dividends follows the completion of a very successful year, with substantial increases in earnings, still furher curtailment of operating expenses and reduction of notes and accounts payable.

"Although no definite earnings figures can be made public this far in advance of the annual certified audit to be prepared for presentation to stockholders, preliminary estimates indicate that consolidated net profits of Transamerica Corporation, holding companies and all controlled subsidiaries for the year 1933 will be markedly in excess of the net for 1932, which amounted to $7,967,225. The increase in income reflects improvement in the earnings of subsidiaries."

New U. S. Envoy To Cuba

Here is Jefferson Caffery, 47-year-old Louisiana bachelor, named to succeed Sumner Welles as American ambassador to Cuba. Caffery is a veteran in diplomatic work, having represented the United States government at various times in Colombia, Venezuela, Madrid, Tokio, and Athens. He officially will become ambassador to Cuba upon its recognition of some definite government.

HIGH SCHOOL ASSEMBLY OPENS NEW SEMESTER

A general assembly was held Monday morning at the high school. Principal H. E. Kjorlie spoke and welcomed the six new students to the high school. The propect of a happy and prosperous New Year for all was mentioned. He warned those students whose homes were invaded by the measles epidemic to stay home and not come to school until they were free of the disease.

Principal Kjorlie spoke of the work on the new foot-ball field carried on by the CWA men, and pointed out the necessity for another sand hauling program next Sunday, the only day in the week when trucks are available. He commended the turnout of the boys on the last trip, and urged more boys to take a hand this time, especially Seniors.

Students were urged to set in the rooting section at the baskeball games, instead of in he balcony. A discussion was held concerning the use of Redmen's Hall. The extremely high cost of the hall, ($300) per season was deplored, and the fact that the Cardinals received the same privileges to night games for only $50. was pointed out.

Storm Washes Boat Ashore

Many schooners plying their trade along the Atlantic coast have had some extremely rough sailing in recent weeks, because of furious storms which swept the seaboard. This schooner, the Francis J. Manta, was left high and dry on the shore near Provincetown, Mass. Its crew was rescued, but shortly after this picture was taken the vessel broke up under heavy pounding by rising seas.

Tax Payers Petition School Board Asking New Hi Gymnasium

A large proportion of the men and women in Nevada City who bear a great part of the tax burden for the city, have affixed their names to a petition, addressed o the Nevada City School Board, asking hat body to take immediate steps to build a new high school gymnasium.

This petition will be presented to the school board at its meeting tonight. The petition recites:

"WHEREAS, our high school is without any gymnasium facilities whatever and is now paying aut $500 per year in rental for purposes which could be served by a gymnasium, and

"WHEREAS, we believe that our high school pupils should be afforded the same facilities which are afforded elsewhere in this respect,

"We therefore respectfully petition the Board of Trustees of this district to take the necessary steps at once to erect a building suitable for a gymnasium upon the school property.

TRAFFIC SURVEY TO COVER STATE

The most sweeping and thorough traffic survey ever attempted in California is to be initiated this year by the State Department of Public Works.

With establishment of 1200 stations throughout the state, Earl Lee Kelly, Director of Public Works, announces plans to obtain the most comprehensive anaylsis of automobile and road needs. This work will be undertaken during the months of January, April and July.

In addition, a survey will be started to determine:

1. Total mileage travelled on California highways in the year.
2. Mileage per gallon of gasoline.
3. Types of vehicles driven.

This anaylsis will be made January 14th and 15th with assistance of both northern and southern automobile clubs and the State Chamber of Commerce. Twenty typical locations where the clubs and the State Motor Vehicle Department are issuing license plates, have been selected in counties over which passes eighty-nine per cent of the total auto registration of California.

The counts for this month, as well as for April and July, will, it may be noted, be scheduled for Sundays and Mondays close to the middle of these months and will be conducted from six o'clock in the morning until ten o'clock at night.

San Francisco, Berkeley, Oakland and Alameda will carry on the work in the cities under State supervision, using CWA workers selected from projects now under way. Captain Macauley, Director of the CWA, has approved the principle of conducting such a statewide survey with CWA workers, providing it is made a separate project and does not increase the quota now allocated to the respective cities.

GRAMMAR SCHOOL TO OPEN WEEK LATE

After a conference with local physicians the Nevada City Board of Education decided that it would not be advisable to reopen the grammar school today as scheduled due to the prevalence of measles. The opening will be postponed at least one week.

Nevada City high school opened at the usual hour this morning.

A number of changes and improvements have been made in the Nevada County Lumber Company office in the last few days. The chimney and partition have been torn out and a big display case put in its place. A circulating heater in the back office warms both rooms.

Fred Miller, mining engineer of Grass Valley, was a business visitor in Nevada City early this morning.

Judge R. Tuttle returned from Modesto a few days ago. He had been presiding in the superior court there.

OFFICERS INSTALLED BY KNIGHTS TEMPLAR

The Knights Templar on Thursday evening installed as Knight Commander, Thomas M. Harris of Grass Valley. Other officers seated were:

Albert B. Adams; Gen., Edwin S. Matteson, C. G., John Thomas, S. W. Henry R. Weber, J. W.; Joseph F. Stenger, Recorder; William E. Meservey, Prelate; Charles A. Harris, Standard Bearer; Philip Keast, Sword Bearer; Alfred Martin, Wader; Matteo Dellea, Sentinel; David E. Matteson, Third Guard; Paul W. Michell, Second Guard; Bennett Opie Frist Guard.

Junior Past Commander W. G. Robson was installing officer and had as his assistant, Edwin S. Matteson, acting as marshal.

L. D. Shattuck, employed at the Eagle Bird mine near Washington, had a finger cut off in an accident and was brought to Dr. W. W. Reed in Nevada City for treatment. He is at the Jones Memorial hospital in Grass Valley.

Judge J. B. Landis of Auburn was in Nevada City Friday holding court for Judge Raglan Tuttle.
